Hi Mary,

I just got back to the office today. Would Thursday sometime between about 10:00 and 2:00 work for a call?

Thanks.

Amy & Anne -

As Jessica White mentioned, I have been assigned to represent the TCEQ in the Harris County civil-penalty case against the RPs for the San Jacinto Waste Pits. TCEQ is a necessary and indispensable party by statute in Harris County's case. I would appreciate the opportunity to discuss the case with you, but understand that you are likely both very busy with the end of the year and upcoming holiday. What would be the best time to reach you?

Thanks - Mary
